

About Us

Founded in 1930, Aigner Chocolates is one of the oldest chocolate shops in NYC. Aigner provides year-round gifting to companies that understand the value of expressing gratitude to their clients and employees. Aigner will help you make an impression, build relationships and retain clients and staff. All of their chocolate is hand-made using antique equipment and recipes passed down over generations. They are woman-owned and operated, certified by both NYS and NYC.

About Rachel Kellner

Rachel Kellner and Mark Libertini took over Aigner Chocolates in 2015 and are the third family to own the business in its 92 years of operation. Rachel brings chocolate healing wherever she goes and loves to spread joy and hope to communities through the magic of chocolate. She combines her dedication to quality, service, community, mentorship, and tradition to create a thriving culture and organization.
