

**RDS**  
SAME DAY  
DELIVERY

## Easy Steps for RDS Online Ordering

At RDS Same Day Delivery, we are thoroughly committed to providing you with the very best customer service and delivery experience possible. One way to achieve that is by placing your orders through our **online portal**. This system is fast, easy, convenient and secure. It provides you with more timely, efficient delivery service—which is our ultimate goal.

### The Benefits of Online Ordering

There are many great customer benefits associated with placing your delivery order online. For one, it offers a load of great features—right at your fingertips

#### Online ordering allows you to:

- Point click and ship
- Track packages in real-time
- Easily repeat orders & view last five orders
- Get quick quote pricing
- Add multiple users and maintain admin control
- Customize your billing
- Personalize your address books
- Add email or text notifications
- Reporting
- ... And more!

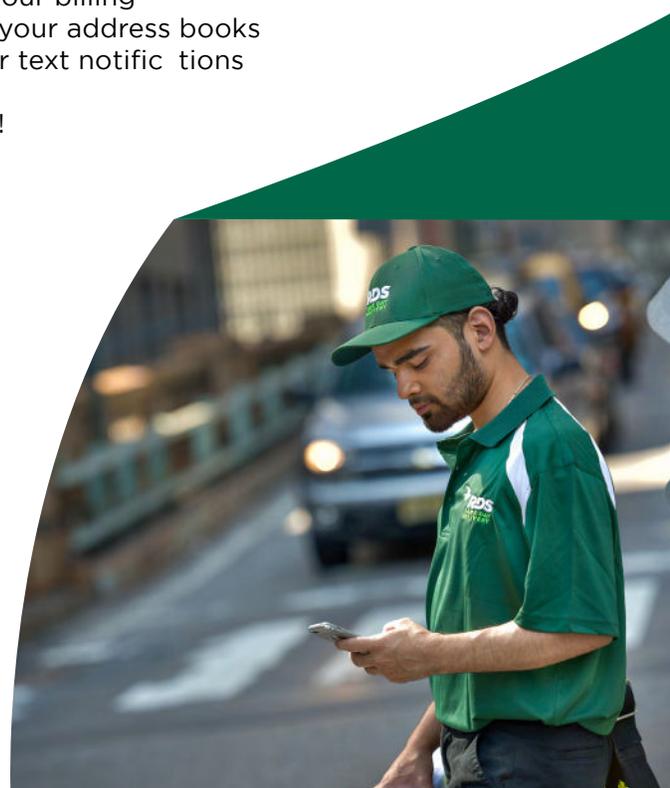

#### More benefits of online ordering:

- Reduced risk of lost emails & orders
- Immediate order confirmations
- Greater accuracy
- More detailed information on deliveries
- Better client control of orders

Our online portal allows us to streamline the ordering process so you will receive the very best customer experience possible.
